Who we are

Aina Blankson Corporate Solutions (ABCS) is a *"one stop corporate services and global consulting support provider"* offering top-quality services in business advisory, incubation, company secretarial, corporate governance and consulting to our clients world wide.

We pride ourselves on continuous innovation, not only within our internal processes but also in how we engage with our partners. This dedication to innovation allows us to deliver exceptional quality of service that leads to the flourishing of our partners' businesses. We understand that every organization is unique, which is why our services are tailored to your specific needs. Whether you are a start-up aiming to establish a lasting presence, a mid-cycle or mature business seeking sustainable growth, or an operation at an inflection point, we offer bespoke support that covers the full spectrum of strategy, business process alignment, and business development.

Given the place of technology in today's borderless world, in collaboration with our affiliate firm *'AB Consulting'*, we empower organizations to harness the promise of technology and innovation, shaping their visions and executing seamless digital transformation journeys.

What we seek to do

As the trusted partner and leading advisor for organizations worldwide, we are committed to driving their success and transformation in an increasingly dynamic and interconnected business environment. We envision a future where businesses leverage technology, innovation, and strategic insights to achieve sustainable growth, optimize operational efficiency, and adapt to emerging opportunities.

As a global firm, ABCS is committed to ensuring that real value-for-money is provided to clients with no recourse to “off-the-shell” solutions and pre determined template led solutions. All interventions are custom designed to meet the actual needs of clients based on real local circumstances and need.

Why Choose ABCS

Our corporate solutions aim to enhance the competitiveness and overall success of our clients, working with highly skilled Professionals and Subject Matter Experts who provide customized solutions to meet the specific needs of our clients

Continuity

We are and will continue to be a privately owned organisation. We offer our clients a stable, sustainable, private partnership that will not be compromised by conflicts of interest or changes in ownership.

Global Resources

We are one of the largest independent global providers of corporate solutions. We bring a breadth and depth of knowledge, understanding and experience across our global footprint that we believe cannot be matched.

Expertise

Provision of top class expertise is at the core of our business. We form longstanding relationships with our clients by putting them at the heart of what we do and by providing tailored services that precisely suit their needs.

Stability

We develop stable and accomplished teams across the globe, enabling us to offer our clients the benefits of their experience and continuity of relationship and service.

Areas of expertise

Compliance & Corporate Services

Business Formation & Company Secretarial:

ABCS assists clients in navigating the business environment, helping them overcome the ideation stage through techniques like sketching, prototyping, brainstorming, and more. We provide structured operations, strategic business development, and access to a network of investors and professionals for business growth.

Whether it's a start-up or an established corporation, corporate services are crucial for success, as seen in Fortune 500 companies. At ABCS, we coordinate general meetings, board meetings, and board committee meetings, efficiently managing corporate documentation. We ensure our clients' records are updated in compliance with relevant regulatory bodies. Additionally, we represent corporate entities and individuals in interactions with government agencies, offering support in strategic planning, government relations, and public affairs.

Compliance & Corporate Governance:

In today's complex business landscape, compliance and corporate governance play a critical role in ensuring legal adherence, mitigating risks, and fostering trust among stakeholders. At ABCS, we provide comprehensive services to help organizations navigate these essential aspects.

Our team of experts assists in navigating regulatory frameworks, conducting

internal audits, and developing tailored compliance programs. We help you stay abreast of changing laws and regulations, minimizing the potential for legal issues and reputational damage.

With our focus on corporate governance, we help establish and enhance robust governance frameworks within your organization. This includes implementing effective board structures, defining roles and responsibilities, and ensuring transparency and accountability.

We work closely with your management team to develop policies and procedures that align with industry standards and best practices. Our goal is to foster a culture of integrity, ethics, and responsible decision-making throughout your organization.

Immigration

At ABCS, we understand the challenges and complexities involved in the immigration process. That's why we offer comprehensive immigration services designed to simplify the journey. Our team of experienced immigration experts is dedicated to helping businesses and individuals navigate the intricacies of immigration law and regulations.

For businesses, we offer tailored solutions to attract and retain international talent. We assist with the recruitment and onboarding process, ensuring compliance with immigration requirements and facilitating a seamless transition for your foreign hires. Our goal is to help you build a diverse and skilled workforce while staying compliant with immigration laws.

Shipping Agents and Advisors:

ABCS offers comprehensive services as shipping agents and advisors, providing expert support and guidance in the maritime industry. Our role encompasses a wide range of services to optimize your shipping operations and facilitate smooth logistics processes.

As shipping agents, we handle various tasks, including cargo handling, customs clearance, and coordination of shipping activities. Our experienced team ensures efficient and timely execution of shipping operations, saving you time and resources. We also provide strategic insights and industry expertise to help you make informed decisions. We offer guidance on regulatory compliance, market trends, and risk management, enabling you to navigate the complexities of the maritime industry with confidence.

Family & Private Wealth

Wills & Trusts:

We understand the importance of estate planning and ensuring your assets are distributed according to your wishes. Our team of legal experts assist in drafting wills, establishing trusts, and implementing strategies to minimize estate taxes and maximize asset protection.

Trusteeship:

Entrusting the management of your assets to a reliable trustee is crucial for long-term wealth preservation. Our experienced professionals offer trusteeship services, ensuring our clients assets are managed according to your wishes and in the best interests of your beneficiaries.

Investment Management:

Our investment management services are tailored to your specific financial goals and risk tolerance. We provide personalized investment strategies, portfolio management, and ongoing monitoring to help you achieve optimal returns and build long-term wealth.

Real Estate:

ABCS offers a comprehensive range of real estate services, including property acquisition, portfolio management, maximizing returns, and sales and leasing. Our team of experts are dedicated to assisting individuals and families in making informed decisions and maximizing their investments in residential and commercial properties.

Consulting Services

AB Consulting, our renowned affiliate firm and trusted partner to multinationals and governments have become recognized as the brand of choice for consulting services in the areas of business & strategy, human capital, technology and data protection. Our services are along three specialized areas: Strategy Consulting; Human Capital Consulting and Technology Consulting.

Strategy Consulting

In the dynamic and competitive business landscape, having a robust strategy and leveraging data-driven insights are crucial for achieving sustainable success. Our team of experienced consultants specializes in developing strategic plans that align with your business objectives. We conduct comprehensive market research, competitor analysis, and industry benchmarking to identify growth opportunities and guide informed decision-making. Using advanced analytics and cutting-edge tools, we delve into your data to uncover valuable insights. We analyse key performance indicators, customer behaviour, and operational metrics to optimize your business processes, enhance efficiency, and drive revenue growth.

Human Capital Consulting:

We assist organizations in identifying and implementing strategies to enhance operational efficiency, productivity, and overall performance. Our team conducts thorough assessments, identifies improvement opportunities, and guides the implementation of impactful solutions.

As we understand the significance of nurturing and leveraging human capital, we identify the required manpower needs, engage suitable hires, develop the skills and expertise of the staff to match the position. In this regard, we are better placed to achieve long-term business objectives and foster employee loyalty.

Our HR services encompass talent acquisition, performance management, training and development, and employee engagement strategies. We assist in building a high-performing and engaged workforce that drives organizational success.

Technology Consulting

At AB Consulting, we plan beyond one technology at a time, and develop a strategy that can withstand as technology evolves and organizations' core assumptions shift. As we understand the challenges organizations face in harnessing technology for sustainable

growth, we empower organizations to harness the prospect of technology and innovation, shaping their visions and executing seamless digital transformation journeys.

As technology systems have not been designed and deployed from the perspective of the requirements of data protection law, there has been understandably endless debates over the retention and storage of personal, corporate and national data. In meeting this challenge, we provide strategic advisory services in Data Protection, Laws & Regulations, Cyber Security, and the emerging areas of technology and artificial general intelligence.

One Stop Desk

As part of our approach to ease of doing business, the ABCS One Stop Desk allows organisations develop a multi-share, multi-delivery and multi-solution business start-up process.

From Company Formation to Secretarial Services and Compliance, expatriate quota and related services, we simplify the operations of start-ups and open new frontiers for Multi-National Corporations. Under the ABCS One Stop Desk, we provide value-added coordination service to what may seem like a cumbersome process in liaising with various external parties, thus enabling our clients focus on core operational activities. The ABCS One Stop Desk has become recognised as the most efficient approach to ease of doing business across diverse jurisdictions including Africa, Asia and Europe. Our services includes:
